Motor Body Repair Microspot M3

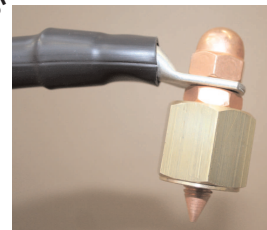

STEEL DENT PULLING

ARO presents its new dent pulling unit for steel panels, the MICROSPOT M3, that completes its range of welding equipment for body shops.

This powerful little unit (2800A) is delivered complete with its specific trolley, and is entirely compatible with the Air Puller and all the other accessories and consumables of the ARO bodyshop range of products.

*New universal
fast ground*

**ARO part ZU220040
delivered with :**

Quick & lock Single side gun and earth cable
1 holder for carbon rod
1 Carbon rod
Copper crushing electrode
Sledge hammer
Bag of 3 pins pull tabs
Pull tab electrode
Universal fast ground

Technical characteristics :

Nominal power @ 50% (KVA)	Sn 4 kVA	Delayed fuses (A)	16
Short circuit current (A)	2800	Gun cable length and section	2,1 m / 50mm²
Secondary voltage (V)	7,5	Earth cable length and section	2,0 m / 50mm²
Mains supply (V)	230V monophasé	Generator weight (KG)	24
Fréquency(Hz)	50/60	Generator size LxPxH (mm)	240x465x295

Quality without compromise

Air Puller case			
Dent pulling pneumatic gun Air Puller delivered with the accessories hereunder, adaptable onto the MICROSPOT M3 dent puller and all the ergoweld range of spot welders.			
			
Air Puller case 68130100	Air Puller gun	Diamond file 73160003	Crushing electrode 00240049
Pull lever kit H0295044			
composed of an aluminum lever with magnetic feet and accessories shown here.			
			
Pull lever naked 0084408	Wavy wire (x50) 72710109	Electrode JL0-ZWS0680	4 hooks head 67730108

			
Pull System gun* 103025332 (complete version) 101004842 (steel repair version)	Universal fast ground 101003701	Fast ground magnetic support 101005364	Star System kit 103025328
			
Pull tab head 00240020	Quick & Lock gun 101005365	Fast ground electrode 101003702	Pins pull tabs (x100) 68130022
			
Sledge hammer 00240010	Dent pulling case** 101005366	Mini 1,1kg sledge hammer 101005060	Rapid'Spot kit 101005052
